According to Alan Montgomery's mathematical calculations, the speed of light is slowing down and would have been:

- ~2x faster at the time of King Solomon
- ~4x faster at the time of Abraham
- ~10 million times faster prior to 3,000 B.C.

Throughout Genesis 1, God defines a day as consisting of "the _____ and the _____" (i.e. a literal day).

For in six days the Lord made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the Lord blessed the Sabbath day and hallowed it. - Exodus 20:11
