The Bible's Model for Judging Other Believers:

- 1) _____ the sin (*identify it*)
- 2) Rebuke the brother/sister
- 3) The brother/sister _____
- 4) The brother/sister is restored

We are to judge the *fruit* in peoples' lives – not their
_____ or _____.

See Leviticus 19:17

It is _____ your brother/sister in Christ to see
them _____ and allow them to stay there.

VV.3-5: We are called to judge _____
_____.

*Jesus is speaking of judging within the Church
(see 1 Corinthians 5:12-13)*

The solution is to deal with _____ sin issues so
that we can effectively help our brothers and sisters
deal with _____!

The solution is both of us being _____ from
our sin – not both of us _____ our sin!

V.6: Non-believers have one need – to be _____.

It's wise to ask yourself, "Can I minister to this person?"

See Proverbs 9:7 & Acts 13:45

VV.7-8: How do you find wisdom to discern?

*If any of you lacks wisdom, let him ask of God, who
gives to all liberally... - James 1:5*

See Romans 8:32 & Matthew 22:39

V.12: Part of spiritual maturity is understanding that,
sooner or later, I will be the _____.

The _____ has authority over us.

*The process of confronting another believer over sin is
laid out in Matthew 18:15-17.*
